

2026 Digital Online Raffle

Support Our Home. Secure Our Future.

ILLUSTRIOUS SIRs & LOYAL LADIES!

Last year, you showed up in a powerful way—together we raised over \$145,000 across 24 Orients, exceeding our goal by 47% and engaging more than 1,200 donors. Indiana led the charge, Illinois and Michigan rounded out the top three, and individual champions like Lacy Johnson proved what's possible through personal commitment. That collective effort made a real difference for students and families at Prince Hall Elementary School.

Now, we're taking that momentum and directing it where it matters most: home camp.

The 2026 Digital Online Raffle supports the Scottish Rite Cathedral—our headquarters since 1928 and the living symbol of our continuity, unity, and purpose. This isn't just a building; it's the foundation that makes everything else possible. Every ticket you purchase helps ensure continued preservation, essential capital improvements, and long-term sustainability for the home we all share.
